SmartRules™

THE NAVIGATION SYSTEM FOR NATIONAL LITIGATORS.

Your firm's litigation practice takes attorneys to courts across the United States. The attorney-editors at SmartRules have spent the last five years helping premiere national litigation firms by giving them one source for fast answers to all their questions about handling procedures in state and federal courts.

SmartRules not only helps litigators stay in compliance. It helps your firm increase billable hours by eliminating write-offs for basic procedural research, and handling more matters in-house rather than farming them out to local counsel.

Fast. Accurate. Reliable. SMART!

SmartRules™

THE NAVIGATION SYSTEM FOR NATIONAL LITIGATORS.

SmartRules gives you fast answers to all of your questions about managing litigation, drafting pleadings, and handling discovery and motion practice in unfamiliar state and federal courts throughout the country.

With SmartRules, there's no need to depend on local counsel. Nor will your attorneys be hostage to out-of-date paper rules – rules that are probably in the home office when litigators are across the country!
